Aims and Expectations

It is a primary aim of St Anne's Catholic School that every member of the school community feels valued and respected, and that each person is treated fairly and well. By ensuring this, we will be living out the Gospel message of our mission statement:

Let trust, respect and love live here

We are a caring community, whose values are built on mutual trust and respect for all. The school behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, safe and secure.

School Ethos

All at St. Anne's share a common vision:

Vision Statement

With Jesus in our hearts we learn and grow

Our vision is realised through our school aims:

- *We aim to show, all that are touched by our school, that Christ is at the centre of everything we do*
- *We provide a school environment which is happy, stimulating, safe and secure*
- *We provide a rich, broad curriculum with a wealth of opportunities for all, that will nurture self-motivated independent learning which searches for excellence*
- *We enhance and promote high standards and expectations*
- *We recognise the God given dignity of each member of the school community; all are valued and respected as individuals and are treated fairly and with compassion*
- *We recognise that every child has potential and we provide opportunities that will encourage all children to maximise their abilities, aptitudes and talents*
- *Our school is rooted in its commitment to Religious Education that is instrumental to the achievement of success and excellence*
- *We embrace technology that will motivate, inspire and thrill*
- *We expect that all members of our school community are well mannered and polite sharing in an ethos that enables trust, respect and love to grow*

At St Anne's we actively seek to promote 'Every Child Matters':

- Be healthy

'Let trust, respect and love live here'
