Dear Parents,

## Thank You

Thank you very much for your support and kind words.

I have thoroughly enjoyed my time at St. Anne's and I can honestly say that parents have been a tremendous help and support. The community of St. Anne's is very special and we work together so well to provide the very best experiences and learning opportunities for our children. We haven't always got it right but intentions have always been from the heart following the example of Jesus with the love of the children at the centre. I leave St. Anne's as a very strong, well respected school with a good reputation and standards to be proud of. Staff at the school are truly dedicated to providing the very best for our children and I know that with your support, the school will go from strength to strength.

God Bless and Happy Christmas - Justine Lomas xx

## A Gift for the Children
